

Teresa Hinkle's Goals for the Teddies Class

To help with separating from parents

To help them learn how to get along in a group setting

To help them have a love of learn (just have fun!)

To have exposure to lots of sensory items

To gain knowledge of concepts through play

To allow safe exploration of their environment

To give the children exposure to new songs and stories

To learn how to communicate clearly and confidently

To develop an interest in art media, music, and nature

To build fine-motor and large-motor skills

Activities that will be used to achieve these goals:

- Sorting
- Matching
- Playing with playdough, blocks, and manipulatives
- Being allowed to create using art media, blocks, etc.
- Being exposed to concepts using songs, games and stories
- Singing songs and listening to stories
